

The First Skyscraper

What would you build a skyscraper out of? Why? (Choose anything.)

Read Genesis 11:1-9.

1. Why did the people build the tower?
 - A. To see heaven.
 - B. To use the materials they already had.
 - C. To stay together.
 - D. To protect themselves.
 - E. To make a name for themselves.
 - F. It was random.
 - G. Because God told them to do it.
 - H. I don't know.
 - I. Other.
2. What did the Lord do when He saw the people building the tower?
 - A. Destroyed it.
 - B. Told them to stop building.
 - C. Liked the design.
 - D. Scattered the people all over the world.
 - E. Admired their unity.
 - F. Asked for building permits.
 - G. Made different languages.
 - H. Demanded to speak to the leader.
 - I. Other.
3. What was so bad about the people's actions?
 - A. There was nothing wrong with building it.
 - B. Made God jealous.
 - C. Was a sign of disobedience to God's commands in Genesis 9.
 - D. Had a weak foundation.
 - E. Showed they didn't trust God.
 - F. Was dangerous to build a tower that high.
 - G. God didn't give them permission.
 - H. I'm not sure.
 - I. Other.
